Meet the Capital Campaign Chairs...This edition featuring Rosemary Wlodarczyk

Rosemary Wlodarczyk is a 1977 Graduate of Regina High School. She grew up on the eastside of Detroit with her parents and siblings. After high school Rosemary moved to Florida working as a Media Coordinator and Legislative Aide to Senator Ken Jenne. Upon returning to Michigan she attended the U of M receiving a Bachelor of Arts Degree in Broadcast Communications. Rosemary worked as a Journalist with Fox 2 Detroit for 5 years until taking her current position as Producer at WXYZ Channel 7 Detroit 10 years ago. Rosemary produces Action News at Noon with Carolyn Clifford, Robbie Timmons and Dave Rexroth. She has won 3 Emmy awards from the Michigan Chapter of the National Academy of Television Arts and Sciences, & the Award for Broadcast Excellence from the Michigan Association of Broadcasters.

When asked why she accepted the position of Co-chair for the Capital Campaign, Rosemary had this to say..."Regina High School has always held a special place in my heart. Since my sister Carol Ann (1974) attended Regina, I also wanted to follow in her footsteps. My parents insisted on a Catholic education for all of their children. Because of their dedication and love, we accomplished so much in our lives."

"The 50th Anniversary Mass at Regina High School brought back the fondest memories of good friends and good times. During the course of the Mass I was filled with pride and gratitude to be so blessed to be an alumnus of such a fine Catholic school. This celebration was a turning point for me, and I knew I wanted to be actively involved at Regina. When approached to be a co-chair of the Capital Campaign I couldn't be happier. It was a way to insure that Regina High School would continue to educate fine young women in the Catholic tradition for generations to come, at the new Warren location. Many of my fellow alumni expressed regret that the Harper Woods location was closing and Regina was moving. But life is about growth and new experiences. It will always be Regina, regardless of where it is located, and future generations will form their own lifelong bonds and memories. We should all thank our parents and our families who put their trust in Regina to turn young women into fine members of the community. Being a part of this incredible future is special and fullfilling. The Capital Campaign Committee is well on its way to securing the donations necessary to meet our goal."
